Jocke Johansson, star goalie for the Vikings for the past ten years, is the new manager and he has lined up a team worthy of the loyal fans' continued support. We are again fortunate to have secured the Winnemac Park Stadium for our home games, but we must have your support to keep this wonderful field, so let's all come out and WATCH THE VIKINGS PLAY BALL.

VIKING ATHLETIC ASSOCIATION.

Ever since its beginning, Viking Athletic Association has been on a steady, upward climb. It was started in 1926 by just about enough fellows to make up a team. These fellows entered their team in the third division of the International Soccer Football League, and in the first year of competition came out on top. More and more fellows joined the club, till they were able to enter three teams, instead of one, each year advancing until finally in the season 1934-35 the first team was crowned League Champions by winning the Major Division, with the reserve team taking the same honors in the Reserve Division. The following year both teams finished runner-ups in their respective divisions. They have participated in numerous cup games, quite a few have represented the Vikings in mixed Swedish teams in the Mayors Trophy and Cermak Cup games. In 1935 the entire Viking team defended the Swedish soccer honor by defeating the Italians in the Mayors Trophy finals. In indoor, seven-a-side tournaments, the Vikings have always been picked as the team to beat, and several times have they brought home the winners cup. In the spring of 1936 Viking A.A. was one of the first clubs to answer the call to organize junior teams. That same year the Viking Juniors captured the Black Trophy, and they are now playing in the newly founded Junior Division of the International League.

Not only in soccer have the Vikings shown their prowess and ability to emerge on top. A member of the club has been the Chicago Amateur Heavyweight Champion Wrestling Champion since 1935. In 1937 he was the winner of the Lawson Y.M.C.A. Invitation Meet, 175 lb. class, when he defeated the 1937 Central A.A.U. champion in an overtime match. The Lincoln Park Singles Tennis champion for 1937 also is a member of the organization.

In the latter part of 1937 the club accepted an invitation to enter the Clar-Wyn Bowling League, and after several months of stiff competition, the team selected to represent the Vikings finished several games ahead of their closest rivals.

At times the goings have been pretty tough, and especially during the depression the future looked none too good for the rising young club, but the determination of its officers and members to carry on enabled them to bring the club to what it is today, one of the strongest Swedish Athletic Clubs in the middle west. They have shown their prestige on the field of sport and by running a number of dances and pic-nics with the help of the Girls of Viking, they have attained financial independence and security. The membership is now well over a hundred, and on Jan. 11th 1938 the club was incorporated under the laws of the State of Illinois. Viking A.A. has had its own clubhouse at 1509 Carmen ave. since Jan. 1st 1937, where regular meetings are held every first and third Friday of every month.

VIKING NYHETER.

Lordags kvall, den 20de aug., hade Viking anordnat en fast for reservlaget och det segerrika "Swedish All Star" laget, vid vilken samtliga spelare presenterades med sina valfortjanta medaljer, Vikings reservlag silvermedaljer for andraplacering i Major reservdivisionen i International League, och det kombinerade svenska laget guldmedaljer for vinst over tyskarna om Kelly pokalen. Alla medaljisterna, saval Vikings som Linneas och Swedish-Americans voro inbjudna till denna fast i deras ara. The Girls of Vikings nojeskommitte hade dukat upp ett fastligt bord, fullt med lackra och delikata smorgasar, och efter dessa hade forsvunnit bjod klubbmastare Jocke Johansson till tystnad. Forsta talaren for kvallen var ordforande Ivar Strand, vilken halsade alla valkomna och forklarade orsaken till denna fast. Darefter presenterade han ledaren for fjolaret's reservlag, Axel Ohman, vilken efter ett jal i sin tur presenterade spelarna, nar de kommo upp for att erhalla sina medaljer av ordforanden. Nar alla spelarna fatt dessa, presenterades herr Ohman sjalv med en medalj av laget till tack for vad han gjort under den gangna sasongen.

Klubbmastaren kallade sedan pa ledaren for det svenska kombinationslaget, John Josephson, vilken kom upp med den statliga Kelly pokalen i famnen. Efter han tackat de svenska klubbarna for deras hjalp och understod, kallade han pa spelarna och tackade dem var for sig for vad de gjort pa planen, samtidigt som han presenterade dem med medaljerna. Pokalen, vilken for ett ars tid prytt Viking klubben, overlamnades sedan till Linnea Sport Club for att forvaras av dem. Efter tal av Tage Swanson, sekreterare i Swedish-American och Thure Hallqvist, ordforande i Linnea var det slut med fastligheter, och de mera danslystna dansade inpa smatimmarna efter musik av Folke och hans "Pleasant Valley Neighbor Boys" och herr Bergs magnifika kombinerade femton tube radio och grammofon. Gentlemen.

Viking Athletic Association, Inc. of Chicago bildades år 1926 av ett dussin svenska fotbollspojkar, med avsikt att spela boll för såväl nöjes skull, som att i framtida år göra fotbollen, och i synnerhet den svenska fotbollen, mera känd och populär i America. För närvarande är Viking ett av de bästa och mest kända fotbollslag i mellanvästern, och har trots den minskade emigrationen lyckats bibehålla ett rent svenskt representationslag. Vi spela i International Soccer Football League, den största amatörligan i U.S.A., bestående av cirka 40 lag, och ha de sista 8-9 åren spelat i den högsta divisionen.

Vi äro prenumeranter på Idrottsbladet, och kunna därigenom följa fotbollen och idrotten hemma i Sverige, men önska dock vara i närmare beröring med fosterlandet. Jag har därför fått i uppdrag av klubben att skriva till Eder och finna ut, vad som erfordras för en svensk förening i utlandet att tillhöra Svenska Fotbollsförbundet.

Vore tacksam om Ni ville sända upplysning angående ansökan, avgift m.m.

Dear Mr. Johnson:-

Here are a few lines about us and the soccer game. Perhaps it is too much, or maybe it is not exactly what you want. It is not half of what I wanted to say, but of course I realize, we can not expect too much. and it would take a whole book to take care of all I could say.

Thank you very much for the interest you have shown, and the effort you are making to do us this great favor. It certainly will help us and soccer, if we can get something in your publication.

Sincerely Yours

Viking Athletic Association was organized in 1926 by a bunch of Swedish fellows mainly for the purpose of playing the game of soccer football, and to make the Swedes known and respected in the athletic world in Chicago. Soccer is to the European people what baseball and football is to the Americans, and anyone, who was born and raised in Sweden should be quite familiar with the game. This space does not permit any lengthy description of the game, but those who do not know it and are interested to find out what it is can attend any game, and anyone there would be more than glad to explain the finer points of the game. There must be something about a sport, that can draw a crowd of 130,000 people, as some of the English Cup games do.

The Vikings play in the International League, the biggest amateur league in the United States. That name was given the league because it consists of 48 teams of about 20 different nationalities. The league is divided into 6 divisions and for the past ten years the Vikings have played in the top division, in 1935 taking the championship and the following year the runner-up position. They have always shown the true Viking spirit by being on top or staying among the leaders, and through their sportsmanship have made the Swedes respected within the soccer world.

The championship is gained by playing the other teams twice, once in the fall and once in the spring. The winner of a game is awarded 2 points and in case of a tie, each team gets 1 point. The team that at the end of the season has the most points is declared champion, each player receiving a gold medal, the runners receiving silver medals.

Vikings first team is now leading the Major Division with the reserve team holding first place in the reserve division and both teams have a good chance to once again bring home the gold medals to the Swedes. The home games are played in Winnemac Park, Foster and Damen aves., and the league games are scheduled to start March 26. Encourage the boys in their fight to popularize that grand game of soccer.

Meetings are held every first and third Friday of the month at the clubhouse, 1509 Carmen ave.

Fran Viking A.A., Chicago, Ill.

Viking Athletic Association i Chicago leder efter slutspelad hostsasong Major Division i International League, den största amatorligan i Forenta Staterna. International League har fått sitt namn genom att det finns bortat ett 20-tal nationaliteter representerade i den. Den består av 48 lag indelade i 6 divisioner, med Major Division den högsta, så striden om att vinna är stor. Sedan 1934, då den nya gruppindelningen organiserades, har Viking A.A. spelat i Major Division, och under tiden erövrat ett masterskap (1934-35). Under de följande åren har guld gått till Schwaben Sport Club (1935-36) Norwegian-American A.A. (1936-37) och German-American (1937-38) Viking har dock under dessa år aldrig placerat sig lägre än fjärde plats.

I år tycks de åter ha fått nog luft under vingarna att bara dem till ett nytt masterskap. Stallningen efter hostsasongen följer:

LAG	SP	V	OAV	F	P	MAL
Viking A.A.	8	5	3	-	13	20-9
German-Am.A.A.	8	6	-	2	12	25-13
Swedish-Am.A.A.	7	5	1	1	11	20-15
Kickers S.C.	8	3	2	3	8	16-17
Olympia F.C.	7	2	1	4	5	17-27
Norw-Am.A.A.	8	2	1	5	5	21-24
Schwaben S.C.	8	1	2	5	4	12-15
Hansa F.C.	8	1	2	5	4	9-17

Viking har, som synes, inte förlorat någon match ännu, och med endast 9 baklänges-mål på 8 matcher, måste deras ypperliga försvar givas en extra eloge. Resultaten av de spelade matcherna är:

Viking - Swedish-Am.A.A.	-----	2-2
Viking - Hansa F.C.	-----	2-2
Viking - Schwaben S.C.	-----	2-1
Viking - German-Am.A.A.	-----	2-0
Viking - Kickers S.C.	-----	2-2
Viking - Olympia F.C.	-----	4-0
Viking - Norwegian-Am.A.A.	-----	4-2
Viking - Hansa F.C.	-----	2-0

Om de blagula kan hålla samma fart under de återstående 6 matcherna till varen, torde väl det svenska nordsidlaget hosta sin andra guldkord.

Under sommaren spelades flera Cup och vanskapsmatcher, varvid sadana lag som Rockford, Moline och Davenport besegrades lekande latt av de sympatiska vikingarna.

Vikings manga segrar under sommarmanaderna imponerade pa proffslagen i Chicago och ett par veckor innan serien borjade fingo gul-trojorna en utmaning fran Sparta Garden City laget. Detta lag vann i varas amerikanska fotbollsmasterskapet och bestar mestadels av stjarnor importerade fran Skottland och Checko-Slovakien. Matchen spelades en onsdagskvall pa Sparta Stadium infor en talrik publik, och Viking fick i slutet av andra halvlek se sig besegrade med 2-0. Sista Sparta-malet kom endast en minut fore full tid.

Viking spelar alla sina hemmamatcher i den vackra Winnemac Park. Vid vackert vader samlas tusentals personer dar for att se sina svenska favoriter utova den adla sporten.

Da en svensk-norsk kombination uttogs i oktober for att mota en dito italiensk-amerikansk, bidrog Viking med 5 av de 11 uttagna spelarna. Skandinaverna besveko icke heller uttagningskommitten. Motstandarna akte dit med hela 5-0 efter en ganska ensidig match.

Med undantag av Linnea S.C. i en lagre division ar Viking det enda helsvenska lag i Chicago. Av Idrottsbladets lasare kanske de flesta aro intresserade i lagets uppstallning och de olika spelarnas hemmort i Sverige. Fran mal till vansterytter:

Ledare for laget ar herr Axel Ohman fran Gammelstad, Lulea. Hans erfarenhet i laderkulesporten och lugna upptradande gor honom icke endast populär och respekterad i Viking, men även inom hela Chicagos fotbollsvarld. Efter Gosta Wihlborgs (Hammarby) aterkomst fran Sverige har Viking fatt en synnerligen erfaren och sympatisk tranare.

Viking forfogar även over ett ovanligt starkt reservlag. De spela i sin egen serie och matcherna ga vanligtvis som for-matcher till drabbningarna i Major Division. De leda även sin serie efter hostomgangen, fast ganska hart pressade av de tva narmaste lagen.

Under de kommande manaderna komma alla spelare att halla sig i kondition med inomhus simning och gymnastik.

Utom fotboll finnes även korgboll, brottning och tennis pa Vikings program. Varje gren har sin egen träningskvall i klubb-huset. I fri brottning har den svenska klubben en av de basta experterna i mellanstaterna. Hans namn ar Sune Rasmusson fran Jonstorp, Skane. Fastän endast 26 ar gammal har han hunnit vinna atskilliga guldmedaljer inom Illinois amatorbrottning.

Vikings hogsta onskan ar nu att deras ansökan om medlem-skap i Svenska Gymnastik och Idrottsforeningarnas Riksforbund blir antagen.

Aterigen taga vi oss friheten att inkomma med en del nyheter fran Chicago, denna gang med nagot, som sakerligen ar av intresse for hela Sveriges sportintresserade.

Lordagen den 13de maj var en bankett anordnad pa Swedish-Americans Athletic Associations lokaler, 901 Fletcher st. Dagens hedersgast var ingen annan an Eric Agren, som sa hedersamt kvallen forut vann sin International Golden Gloves match i Chicago Stadium. Arrangorerna for denna bankett hade endast haft tva dagar till sitt forfogande pa grund av att Europa laget redan sondag morgon antrade sin resa till St. Louis, Mo. Ett harligt smorgasbord framdukades och alla ato av hjartans lust. Eric sjalv var nog mest hungrig pa grund av all traning och sparring och han at, som en champion skulle gora. Som ceremonimastare fungerade Henry Carlander, ordforande av Swedish-American, aven kand sasom fotbollspelare i Uddevalla for ett femtontal ar sedan.

Flera talare fran de olika svenska idrottsforeningarna i Chicago hordes. Fran Swedish-American klubben overlamnades till hedersgasten ett stilligt skriv-etui, bestaende av reservoir- och blyertspenna. Fran Viking A.A. overlamnades klubbens marke, samt ett fotografi av representationslaget. Svenska Gymnastik Foreningen avtackade Agren for den vackra fight han gjort. Talaren sade, det var en stolthet att vara svensk den kvallen, och vi alla instamma med honom. Efter talen sjongs allsang, aven en del solosangare marktes. Ett 75-tal gaster hade horsammat inbjudningen till denna bankett, ett flertal av dem voro boxare av svensk harkomst, bade amatorer och proffs.

Nar Eric sedan ombads att saga nagra ord var det dodstyst i salen. Han namnde da om sin match, hur han forsokte utboxa Chicago pojken i forsta rondan men forlorade den, hur hans broder Karl i pausen efter rondan sade till honom dessa ord: "Bry dej inte om att finta och finboxa. Ga in och kurra pa bara, bry dej inte om att finboxa, det gar inte". Nar han kom ut i andra rondan, var det som ett askvader brutit lost, hans armar gingo som vaderkvarnsvingar och nastan varenda stot gick in. En fruktansvard hoger i ansiktet tvingade Pauli att ga ned pa kna och taga en rakning till nio. Inom parantes bor namnas, att det var den enda "knock down" pa hela kvallen. Eric fick en hard hjartstot i forsta rondan, omtalade han, och 15 sekunder senare borjade det att svartna for ogonen pa honom, men da tankte han pa den svenska flaggan pa byxorna och resten veta vi alla om. De sista sekunderna var Pauli absolut fardig, benen ville inte bara honom. Hade rondan varat 10 sekunder langre hade han blivit ett latt byte for svensken.

Nar vi vid tolvtiden pa natten skildes at,voro alla de narvarande en hel del rikare ifraga om boxning,och vi alla visste att vi traffat en akta svensk viking och en battre grabb ar nog svart att traffa pa i Sveriges avlanga land. Vi hoppas att det nasta ar kommer flera svenskar hit som mastare,var onskan ar att fa se Olle Tandberg,nu nar han ar i sin livs form. Och sakerligen kommer denna var onskan att bliva uppfylld,eftersom excercisen da ar over for allas var Olle.

Undertecknad fick i gar ocksa hora,att Eric tanker stanna i U.S.A. tva manader,sa aven Viking kanske far ha nojet att inbjuda honom till sin klubb innan avresan. Aldrig har val pa en utlansk botten en svensk boxare fatt mera heja rop pa sitt eget tungomal an Eric erholl i fredags. Ett femtontal grabbar hade en hejarklack som hordes over hela Stadium. Nar Eric fatt sin seger utropad,erholl han dessa hejarop:"Sa,sa,sa,bra,bra,bra,Jerka,Jerka,Jerka." Grabben lyste upp med hela sitt ansikte till tack.

Vi hoppas att dessa rader komma in i Idrottsbladet for att ge lasekretsen en ide om hur Eric's seger var bejublad utav svenskarna i Chicago.

Eric sjalv ber om sin halsning till Idrottsbladet och alla dess lasare.

Till sist ett tack till arrangorerna,herrar Ernie Olson och Thure Gustavson fran Swedish-American A.A. for den nastigt anordnade fasten.

Gentlemen:-

At our last meeting it was decided that we would like to have the southwest upstairs room, which we will furnish. It was also agreed that we will see to it that the two south rooms, bathroom, upstairs hall and stairway are cleaned once a week.

We would like to have a Card and Bunco Party at the Club on Thursday night, May 16th. Will you kindly let us know whether the remodeling which you are now doing will be finished by that time and whether you have anything else scheduled for that night, so that we will not be interfering with any of your plans? If it is possible for us to have this party we hope you will help us make it a success.

We are going to fix up the bathroom, kitchen and pantry, but before we can do anything we would like to have the walls in these rooms washed. We realize that there is a lot of work to be done at the Club and that all the painters are busy right now, but with the experienced and efficient members in your Club, it should not take them long to wash these walls.

We are going to buy new curtains for the first floor windows, and the curtains that are there now will be put upstairs.

We are all willing to cooperate with you as much as we possibly can in order to make the Club House one of the nicest.
