dearest Wifey -

Well dear, that long-awaited for letter finally arrived, and you don't know how much it cheered me. I'm glad to hear that you are having a swell time, but don't forget that I'm here and need you very much. By the program you quoted to me in this day's letter, you must be on the go all the time. Your relatives are evidently very considerate for your entertainment, and that's fine - for you. News in this town is scarce. Wanderer is pretty sure to hang Friday at sunrise, and most likely by the time you read this

note, his body will be in the morgue. Gene Geary, as you must know, was declared insane, and committed to an asylum for the rest of his days. Chief Fitzmorris says the Police will be looking for Geary before Christmas.

Last night we had Sunday school institute in our church and Dr Sundberg delivered the lecture. I'm glad I went, for it was well worth the while. Friday night he talks to Union Ave Church and next Tuesday at Bethany. Tomorrow night Standard Bearer give their entertainment and the Orchestra is on the Program. Saturday is Pay Day and in the evening we sell shoes. Sunday is the usual routine unless you decide to come home on that much-looked-forward-to day. If Ronghild isn't going to move soon, and you are going to stay until then, you had better send me transportation, so I can come and stay with you. Then we can go to Buffalo, Niagara, Sweden, So America, California or any place else, where adventure leads the way. But - coming back to earth, which is best after all, are you arriving in Chicago Sunday at 4 or 4:30 P.M.? Postpone the balance of the visits in Clyria until next time - ahem!

No, Walter didn't get into the first game, and doesn't expect to get into any for a little while yet. You see, he is only a sophomore substitute, and has two years in which to make a regular

place. Oak Park won the game by a score of 12 to 0. Saturday they play West Aurora High at Oak Park Field. That ought to be a good game.

Do not delay too long in coming home. Hubby Joe.

Elmer and Coralla have not yet announced their engagement, but Mrs Fred Johnson is taking charge of the publicity program, and no doubt will do the cause full justice, according to her view and inclination.

Be a good little wife now
kissling and write and let me know what time to meet you and how hungry you'll be, and how many kisses you'll want and how hard and tight I must hug you.

Don't forget!
Hubby Joe.

(PS) (How does my new name sound?)
(Are you getting used to it?) and how do you like

to be called with?
