Dr. V.R. Pearson

Dear Sir,

I received your letter today and I am more than grateful to you for your kind assistance in locating these girls. The uncles name was Anders Torstenson and he was a brother to the girls father. which makes them (Broder - döttrar). In my first letter I forgot to mention that their fathers name was changed to Johnson and this had better not be used in the Fullmakt.

Yours truly,
Charles O. Carlson

In Sweden the girls
father was known as
(Karl Torstenson.)
