My dear Corporal Sabert

I dont know how to begin the answering of your letter of the 5th because in the first place it is the second letter this week and then dear to hear of your promotion made me more happy than words can tell. Oh how proud I am and we all are of you you can never guess or imagine. Of course we all knew you could do it and dear I know if you have and opportunity you will climb still higher to glory & fame.

well sweetheart you said you wished
you had men in your arms and do
I guess rightly - seeing it was the
evening of your promotion - you
wanted your reward which you
more than deserved? Just come
and get it dear its waiting for
you. Oh darling you dont know
how I long to be with you to
share all your victories and
cheer you when lonely.

Why Dave I think I would
be a mighty heartbroken and
desperate person if I ever
doubted that you loved and
trusted me. It never enters my
mind to doubt your love and
trust for dear I have a sweetheart
whom I can trust above all others.

Yes dear for every day that passes
your love ties a stronger knot
among my heartstrings but dear
I want you as well as your love
but tho I cant have it now -
sometime - oh I hope very soon - I will
have my sweetheart home once
more.

Anyone take your place

in my life dear? It cant be
sweetheart for your taking
all my love and the that
of it makes me want
to prove to you dear how
impossible it would be
why dare nobody ever could
compare with you and
much less ever get an
opportunity to "butt in"
as you express it. I dont
think anyone would
you not to have me for
my sake but I do know
we have several girls here
in Austin who are mighty
jealous of me because you
asked me and not them

to wait. I dont ever let it
worry me tho dear because
my sweetheart is true and
still wants his little girl to
wait. Dont you dear?

Well dear you need never
fear that I will give you
any reason to doubt me
if I did it would hurt me
more than it ever could
hurt you and if I ever
did I could never face you
again for I would feel
like a traitor and who
could be a traitor with
such a sweetheart and such
a love and lover.

No Dear, I never could
go chasing about with others
while you still loved me.

I am glad to do that little thing
to show my love and the only one
I have gone anywhere with is your
brother Joe. Why don't I would
not think of doing such a thing
for I love my subject too much.

Yes Dora to God belongs the first
thanks. The folks sent their
congratulations and Billy is telling
all the children that "his Dora is
corporal now"

Your letter certainly did make
me feel good. They always do.

Your brother Walter is over
this afternoon and he is all
smiles.

Last night was class night
for Lillian. She & Malvin and
Joe and I went down to
high school with her. After the
program we come home and
the others stayed and danced.
We all had quite a chat on
the front porch after
reaching home but dear you
don't know how ^{well} it made
me feel for it brought
our evenings spent there

so pleasantly and yet
so quickly when I saw
Lill and Mal on the
swing. I never sit there
dear except alone and
its always adreaming
someone beside me
with his strong arms
around me.

I just finished sewing
3 more stars on our flag
for Herbert Gustafson - John
Mc Manus and Mrs. Rafflander.
There are 20 boys from SS
who have gone now.

Well sweetheart I will
have to close now as
it is time to go to choir
practice.

Oh yes I forgot to tell

you the latest Elizabeth
Gordon will be married
next Thursday. Her
sweetheart belongs to
the signal corps and
is going to have a 5 day
furlough and come
here and marry her
so we will have our
war bride and war
wedding as she expresses
it.

Pat Clawson is expected
home next Tues. on
a short furlough before
going out for active
duty.

Must close now
dear. Will write

again in a day or two.

Billy sends a big kiss and
and extra Hug & Kiss for
being a corporal.

Your little girl sends you
all her hearts love and devotion
and trust & prayers to her
sweetheart - whom she is
so very anxious and lonely for.

Your Grace

SW & K.
