

AMERICAN

On Active Service

WITH THE AMERICAN EXPEDITIONARY FORCE

Somewhere in France.
November 25, 1917.

Dear brother Joe:-

Now to answer your letter of the 29 Oct. Yes I am on the globe someplace you may be sure. I am glad to hear of your successful work in League. It makes me feel good to know of the good work. Keep it up. So Elmer is teaching school. I hope he is making a success at it. He has the stuff in him if he wants to buckle down and work.

I don't know much about Frances, but I will take your word for it.

We are going to have

On Active Service

WITH THE AMERICAN EXPEDITIONARY FORCE

a big day here Thanksgiving
I will tell you about it
in my next letter. We are
going to have turkey too.

Our weather is quite
warm. No winter here, but
it rains an awful lot.

Joe I wish I could tell you
something about this place.
I know it would interest
you very much. But war
is way and so the censor
has the right of way. Some
day I will show you my
diary and tell you all
about it.

I sprained my wrist
in foot ball and it is
a little sore. We are going
to play Thanksgiving. I
hope to be able to play

On Active Service
WITH THE AMERICAN EXPEDITIONARY FORCE

then.

I am well, though I
grumble at times, which is
natural. I understand O.P.
is going at its natural gait.
Don't you wish you were
back in harness again?

This is not much of a
letter, but I will write
more this week.

Love to you all,
Your brother,
