Dear Friend and Fellow Member:

I wish to report that the 87th Annual Concert held on Friday, May 23, 1969 was an outstanding success. The singers' performance, under the direction of Knute Hansen, was superb, and those attending expressed their appreciation with standing ovations.

All of this was made possible by the generous support of those in attendance, and also those of you who placed ads in the program book, or participated as a patron.

We want to take this opportunity to express our gratitude to everyone for their help in making this event such a success. It will contribute materially towards enabling us to participate in civic and charitable activities, as well as helping to defray some of the expenses that will be incurred in participating in the Convention to be held in July, 1970 in San Francisco.

As a remembrance of this great concert, we are enclosing a copy of the program book in which you will also find your ad or listing as a patron.

On behalf of the officers and chorus of Svithiod, let me again thank you for your generous support.

Sincerely,

Harold R. Fagerson
