Annual report of the Board of Directors 1940.

During the year 1940 the Viking Athletic Association held 1 annual meeting, 1 special meeting and 20 regular business meetings.

The membership at the beginning of the year was 137 and at the end of the year 146. 39 new members were admitted to the club, 7 of these free in accordance with meetings of May 3rd and June 7th. The names of 30 members were stricken off the membership roll for nonpayment of dues, leaving town or joining other athletic organizations.

Following is a list of the income for the year:

	From parties and dances	$1832.18
	Monthly dues	$ 368.50
	Initiation fees	$ 96.00
F	From soccer games	$ 437.90
	4% debentures	$2025.00
	Miscellaneous income	$1608.45
	Total income	$6368.03

The expenses for the year were $5874.77, which leaves a net income for the year of $493.26.

Balance Jan. 1st, 1941	$842.29
Balance Jan. 1st, 1940	$349.03
Increase of balance	$493.26

The income of the monthly dues has almost doubled since last year, due largely because of stricter enforcement of the by-laws, and it is our intention to insist that the club shows no leniency in this respect, regardless of person. No one has the right to enjoy the club's fascilities before doing their duty to the club.

The year of 1940 has without a doubt been the biggest and most eventful year in the history of the club. On Saturday April 6th the dream of many of the members became a realization, when the club moved in to its own home. A large portion of the money to finance the purchase of the house was aquired by issuing 5-year 4% debentures or bonds and the members and a few others showed their confidence in the officers of the club by buying enough of these to make a downpayment on the house. A mortgage was taken out for the remainder and it is our sincere hope, that we will be able to buy that back within a few years. The members also have shown their enthusiasm for the new clubhouse by doing all the remodeling themselves, and we are proud to say that not one penny has been paid out for labor. We have however, besides receiving donations from several

paint merchants totalling about $150.00, spent approximately $1600.00 for material. This, of course, includes the carpeting and the new heating system.

By discontinuing most of the usual fall dances and instead running a series of parties and open nights at the club, the social committee can show an increased income over 1939 of $807.10. They are to be commended for the splendid way they conducted all the club's social activities.

The athletic committee should also receive their share of praise for the way they arranged and handled the games and entertainments in the Winnemac Park Stadium.

At the end of the fall season we are happy to find the first team in first place in the Major Division and the reserve team in second place in the Reserve Division. The second team has not done quite as well, but we are sure that in another year they too will be fighting for the top honors.

We have also aquired our own newspaper by taking over the Wisconsin Soccerette. This, we believe, is another step towards making our club even more known and respected. in Chicago.

The support ~~and~~ we have received from the members during the past year has been the best and if all of you would only realize, that what ever we are doing is not for ourselves, but for ~~yhe~~ and the club, the co-operation between the members and the officers will be even more harmonious during the coming years.

The Board of Directors of 1940 wish you and the club a prosperous and successful 1941.
