I am all out of paper so will have to use this. I hope you will pardon my unthoughtfulness in keeping a supply on hand.

Just back from supper. A fair meal. Some of our meals are very good while others are rotten. As you see I am not ~~at~~ satisfied where or what is given me. Some day I hope I can settle down. I am young yet and have a great lot more to learn. Just wait until I come back Grace I will show you how to step. You will have to keep step too. Are you game?

I will close for today. Best regards to your folks and friends. Thank that lady for me, please. My love to you in its best form.  
Your true soldier boy,  
Dave.
