Dear Mother and children.

I am writing this in the hotel ^{Coronado} at Coronado Beach. It is along the Pacific Ocean and as I look out of the window I see the tide coming in. This hotel is I think the largest I have been in. In the center is a large beautiful court filled with large palms and flowers. it is furnished beautifully. We were here 11 yrs ago. but they have improved and enlarged it so much. We have been down to the Beach where people are living in tents there are hundreds of tents here and we have been watching people go in bathing. I sent you some postals when we got to San Diego. This morning Mr + Mrs Edwards and their little boy went with us to Tia Juana Mexico it is 18 miles from San Diego. We took the train. there is not much of a town but we wanted to say we had been in Mexico. They had a fair there and I

wish you had seen the Mexicans. They had
one large place where they done nothing
but gamble. all kinds of gambling devices
and you should see how they took in the
money, a lot of fools would win at first
and then lose it all and more.

We came back about 3 o'clock and then Sam
and I took a ride to Coronado Beach. it
is very fine here. To-morrow morning we
go to the Exposition and in the evening
we are invited to Mrs Carlson's brothers. He
used to live in Chicago years ago. know a
lot of people Sam knows. I sent you all
postals from Mexico. We leave to-morrow
morning for Los Angeles spend the day there
and go to Mr Johnsons in the evening will
stay there until Friday morning when we
leave for Grand Canyon. Will write you
to-morrow, write us to El Tovar

and maybe Tuesday. Then write us about New Orleans La. as we will stop there for a day, or you might send a few lines to El Paso Texas. We may stop off there for a few hours. Write us there before you write New Orleans. After we leave New Orleans expect to take the shortest route home. We have both been real well and have got our money worth right well. We have not missed anything. Am glad to take the Yosemite Park trip, and the big trees are wonderful. Had our pictures taken as we drop through a tree. I told them to mail them to you. Hank sent home several booklets so as not to carry them around so take care of them for us.

I hope you will all keep well. Will expect to get a letter from you to-morrow at San Diego.

We send much love to you and the children. Hope William will get back safe.
Your loving daughter
