Dearest:-

Received your
other letter this evening
when I reached home
tired and lonesome
as a result of a all
day shopping tour

My head aches too and I
wish you were here to
cure it.

I bought 2 things for
my trousseau today
dear and believe me they
are prettier than I dreamed
of ever wearing.

I also have two surprizes
for you when you come
home. Just wait. believe
me you will be shocked I
think. That is if I know you.
but dont worry it will be a

pleasant one.

Will have to close
as its time to go to
League.

Love from your
Grace.
