

Sept 24 - 1921

My Dear Grace;

I did not hear from you to day I guess you are having such a good time you have no time to write.

We are all O.K. Lillian has gone to Bodrholm's Wesley meeting at their house to night

You told me not to get sick. Well Grace I was very sick in bed all day Thursday the day after you left I was sick to the stomach Lillian had to come home from work but I was better on Friday so she went to work Friday Saturday I went to silver wedding I felt rather shaky but am O.K. now.

So I asked Lillian to write to you for me Friday I suppose you received my letter

To morrow night Laundry speaks
in our Church Sunday school
institute they called it.

I expect to go and hear him
Friday Standard bear social now
you have the program for the
week.

Take good care of yourself
and enjoy and rest yourself
so ^{you} will feel tip top when you
come home. When is that.

Excuse blot, count them for Kessie
I have a bum pen.

With love to
all and yourself
Mother
