My Dear Grace! -

I was glad to hear you enjoyed your ride and that you are enjoying your self in Elyria and see you already bent to Cleveland.

Will father and I were to the Silver wedding last night. I tell you it was a classy affair. The bride was dressed in white net trimmed with silver lace and Ruby and Vivian were bridesmaids and carried big bouquets of roses. Ruby was dressed in yellow satin and Vivian in pale green.

Mr. Anderson wore a full dress suit and they performed the wedding ceremony above and the groom gave the Bride a sparkler. There were 135 guests. Lily went to Indiana yesterday & left her home to night. Joe went with Al Olson this morning his girl went to Iowa yesterday hence to Bachelor's

It surely would be nice to see
Anna. Tell her I will be
glad to see her.

I have nothing new to write and
feel rather tired, I just got home
from church they I think was full.
Will close with much love to you
and remember me to with much love
to Anna and the whole family and
Ranghild and her Hubby.

Good night dear
with love and many kisses
Mother
