

Lillian is graduating  
from High and Gayfield  
from public school  
this June.

We are going to  
her class day program  
tomorrow night. Will  
you be going along  
dear.

It is bed time dear  
and I am oh so tired  
as I have been a  
mighty busy lady  
at the office, as a  
matter of fact I am  
too popular with  
work for it always  
persists in being just

more than I can finish in one  
day and sort pile up.

Folks send their regards. Billy  
said he wanted to send you a piece of  
condy but upon second thought decided  
it shouldn't be put in an envelope  
and so he said I should draw a  
picture of a piece of condy and  
tell Dada he was sending that.

To you my dear brood and  
true sweetheart I send all my  
love and trust which is more than  
words can tell from your little  
girl back home who is just a bit  
blue tonight  
Israel.

Su, 5 K's.
