Dear Dick:

After ten years of service to the Swedish Club of Chicago in various Board and Officer positions, I feel the time has come for me to resign. Clearly the remaining affairs of the Club should now be left in the hands of the equity members.

The opportunities that I have had to be of service to the Club have brought me great enjoyment and satisfaction. The fellowship surrounding our activities cannot be replaced.

You are personally to be commended for the leadership that you have provided in bringing the affairs of the Club to conclusion in a most dignified way. You and your family have my very best wishes for success and prosperity in the future.

Very truly yours,

January 26, 1985

Mr. Theodore J. Forsberg

Dear Ted:

At its meeting on January 8, 1985, the Board of Directors, acting in accordance with Section 4, Article XIV of the By-Laws of the Club, determined that your repeated absences from the meetings of the Board, constituted a resignation. The Board was very sorry to have to have taken this action as you have made many valuable contributions to the Club over the years.

The By-Laws require a quorum of seven directors to hold a meeting. Now that we do not have the Club facilities in which to meet it seems to be increasingly difficult to insure the requisite number to the meetings.

Things seem to be winding down much as was expected, although everything seems to take twice the effort that it did when we operated out of the clubhouse.

Sincerely,

Bruce P. Olson
Secretary

Dear Dick:

Having received your letter of August 27, 1982, I have decided it would be best for me to resign from the club. Since 1979, my use has been infrequent at best.

Any resignation and release of equity interest would have to be based on written assurance from the Board that I would be released from the assessment that was announced.

The Swedish Club has been a fond association for me. My wishes will continue for its existence, as will my appreciation for all the good work you are going. I will wait to hear from you.

Sincerely,

Robert Firks

Dear Mr. Abrahamson:

We are in receipt of your letter of resignation, dated September 7, 1982. We are, of course, very sorry and disappointed to have the resignation of a recent president of our fine old club.

Unfortunately, your resignation cannot become effective until all charges are paid. In your particular case the club has suspended you due to unpaid charges aged over 30 days, and your name and indebtedness will be posted in the clubhouse. These charges total \$1142.14.

Because you are an Equity Member of the club, we will cancel the \$1000.00 assessment charge.

Warmest regards

Gentlemen:

It is with a great deal of regret that after thirty years as a member of the Swedish Club I must submit my resignation.

Last fall we sold our business and have now just about finished winding up the details. We expect to spend a good portion of our time out of state and cannot justify the expense of continuing the Swedish Club Membership.

We shall always cherish the many pleasant memories of happy times and friendly people at the Club. Best wishes for continued success.

Sincerely,

Harvey S. Johnson
