Dear Salke,

I will make this letter
brief as I am getting ready to
go to the hospital & want to get this
in the mail.

My dad was taken to Midway
Hospital last week, He is very ill
All indications point to Cancer.

He cannot eat & has considerable
pain - we don't know how long it
will last as he is getting weaker
by the day. Does not recognize anyone
any more.

What you would like to know. You
know my dad that a lot of you people
I would want you to know.

Sincerely - Isabelle Wessling

Dear Mr + Mrs Olson,

Was sorry to hear that you are ill + hope sincerely it is not too serious + that you are both feeling better by now.

My father was buried last Saturday Jan 24. He really looked beautiful - He was such a handsome man, I'm sure he is at peace with my mother now.

He just slept away, which I am very glad about because we did not want him to suffer too much pain. He had a Tumor + Cancer of the liver. He really lived a long life + did many things - he was so talented + had many good qualities. If you will turn this page over I have written the address of the ones you want
