

Chicago Sept. 29th 1921

Dear Grace,

This is Thursday and I have not heard a word from you since Monday morning, hope I get a letter this afternoon or I will be getting worried thinking you are sick. ~~Hope~~ This letter finds you O.K. do not wait so long again before you write if you have not written when you get this letter send me a special delivery letter so I find out how you are.

It is very warm and sunshine here to day if you have such nice weather in Elyria you are surely fortunate, it has been fine here all week.

I have decided to go to the Convention the 11th of October unless Aunt Anna comes home with you then of course I will not go then.

So I expect you home some
time before the 11th October
We are all busy as usual
nothing new to tell you will
close with love to all Miller's
family & Paughild & Hubby

With much Love
Mother
