VIKING ATHLETIC ASSOCIATION

1926  1977

After fifty-one years the Vikings, thru various functions and fund-raising events, has been able to carry out its objectives. Some of these have been to promote good citizenship and sportsmanship, display an interest and participate in community activities, and help to serve mankind. We are proud of sponsoring such sports as soccer, bowling, softball, golf and darts. We provide the facilities for the community to vote in and run a monthly herring breakfast for all to enjoy. These are just a few of the things we have to offer.

The above would not be possible without the unselfish generosity of the people who contribute their time, and those who contribute funds thru donations.

As chairman of this fine organization, I am proud and appreciative of our many supporters.
