Dear Emil

How well I shall always remember you, for you were the person that sent me a bike that I wanted so badly a long time ago. You were very kind.

I'm sorry that we have lost touch the last couple of years. My Mother is now living in the Lutheran Retirement Home here in Jamestown. She is suffering from hardening of the

arteries, resulting in nearly a complete loss of memory. She is being well taken care of and is in good health otherwise.

As you may know I am married and have three children. Linda - 8, Henry 5 and Bobby - 2. I live and work here in Jamestown. I'm a tool designer at the MRC ball bearing company.

My sister, Ruth, and her family are living in Concord Calif. She has two daughters thru school and a 4 year old

son. We wish they were not so far away.

I found your letter among some of my Mother's belongings. I see that you have your family nearby. That is especially nice this time of the year. I hope that you will greet them all from me.

It would be awfully nice to hear from you and learn about other relatives of my Father's. I often wonder about my cousins over in Sweden. Do you ever hear from them.

I am very proud to be the
son of Martin Olson and
never want to loose contact
with the heritage that is mine

We hope that you will
all have a very merry
Christmas

Yours sincerely

Roy Olson
