

Vestgöta Gille OF CHICAGO

Legends all . . .

to the "Legends of Vestergötland," who in each way has contributed to our 90 years of experience in helping each other in work and in need.

The dedication, foresight, zeal, visions and service has held GILLET together.

Our work, friendships, fun and laughter over these 90 years can never be fully measured or appreciated, but must certainly be acknowledged!

VESTERGÖTLAND

Hell dig, vår hembygd,

Fornstora rika!

Än finnes kärlek till dig i vår barm,

Än finnes längtan hos dig få vila

Lugnt undan buller, oro och larm.

Hell dig och seger, rikedom och ära

Framåt och uppåt lede din stig!

Hotas din frihet av fiendens härar,

Stampa vi svärd utur marken åt dig.
