

Thursday -  
July 22nd. 1920

Dear Joe:

Just received your letter  
and postcard and that I  
would answer before going  
downtown to spend my money.

- I'll see from your  
letter that you are really as lonesome  
as I. Well what is good for  
the goose is good for the

garder so I guess its 50 - 50.

Yes I am feeling better than I did  
Sunday.

Tonight is Epworth League  
meeting and guess I will have  
to go home by my lonesome or  
otherwise with the old maids.

I too had a postcard from  
your mother from Belvidere

There is nothing new to tell  
you for nothing has happened  
but eat and sleep doesn't that  
sound exciting? Joke.

Had a Postal from Loughild  
yesterday from Detroit. Says she  
is taking that Lake trip stopping  
at Buffalo - Niagara etc. so I

guess its lucky. I did not  
go there because she  
would not have been  
home

Well good bye for this  
time dear and be good  
and if you have time -  
think of me once in awhile  
no twice - 'cause I need it.

Love from your  
Grace
