

SOMEBODY CARES:-

What a world of woe
Lifts from our hearts when we really know
That somebody really and truly cares
And that we're in somebody's
thoughts and prayers
And I want you to know, cross my heart black and blue
That somebody always is caring for you
My Valentine.

Grace*

Too sick to stay. Will be in
office as soon as I am able - I ache
throbb from head to foot. Took my money
as I shall need some to pay for my call,
as I am not going to friends - I have no
home so any four walls will do.

. Don't advertise this please.

Miss Grace E. Shogren

Chicago, February 15, 1920.

Dear Joe

Please accept my thanks for the very pleasant Valentine surprise received last evening.

I appreciate the thought which prompted both Grace and yourself to send it.

You both have become very dear to me. I could not help loving her for many reasons I cannot explain, and have also learned to call for the boy who means

so much to her happiness. I understand many things she has been through, and can appreciate what some friends mean to her. I know you will always be good to her, no matter what comes.

I offer to both of you a friendship that can mean much or little just as you accept it.

With the best of wishes for you both and
thanking you again, I am

Yours sincerely

Emma C. Poole
