A Dues-Exempt Resident Member is exempt from paying any dues or assessments, but shall continue to use and enjoy the Club as a Member.

However, unless a Dues-Exempt Resident Member shall elect to pay one-half of the dues of Resident Member, all his rights, title and interest in the property of the club, including the right to vote and hold office shall terminate.

Accordingly, unless we hear from you before March 1, 1978 which is your eligibility date for this membership you will be placed in a non-dues status.

Mr. Richard H. Anderson, Secretary  
The Swedish Club of Chicago  
1258 North La Salle Street

Dear Mr. Anderson:

Thank you for your letter of March 6th advising me of the new membership status I will enjoy upon attaining age 65.

Subsequent to our phone conversation, and my talk with Miss Dexter, I desire to retain my status as of May 1970, as a "Dues Exempt Resident Member." I understand I will pay one-half the monthly dues beginning in May, 1970 but no assessment after this date.

Since I have paid my full 1970 dues of \$210.00 in December, 1969, there is a credit due me of \$173.00 on Miss Dexter's books. She will deduct dues of

\$19.50 for March, 1970  
\$19.50 " April, 1970

For assessment she will deduct:

\$25.00 for March, 1970  
\$25.00 for April, 1970

Beginning in May, 1970, if I understand it correctly, Miss Dexter will begin to deduct \$9.75 each month only for dues.

Please advise me if my understanding of the letters, etc. I have received recently plus phone conversations, is in accord with the above.

Very truly yours,

  
CARL H. SODERSTROM

RE: Resident Member attaining age  
65 years of age.

Att: Mr. John R. Ostrand, Secretary

Dear Mr. Ostrand:

Received your letter of June 2nd and wish to respond at this time.

It appears that my interests as well as for that of the Club would be the choice of paying one half of the dues and assessments so as to retain all the rights, title and interest in the property of the Club, including the right to vote and hold office.. This is my choice as of this date and assume that you will adjust the records accordingly.

If there are any further questions relative to my decision as stated, kindly advise me.

Very truly yours,

Dear Mr Nelson

3-23 - 43

Regarding your status for Dues-Exempt Resident Membership our records show that you were accepted as Resident member and have paid dues since April 1, 1943, which ordinarily would have made you dues exempt April 1, 1968. However, on January 1, 1964 your membership was transferred to a non-resident status and accordingly you paid <sup>yearly</sup> dues at the rate of 25.00 including tax ~~per year~~ for 18 months until July 1, 1967, when your membership was transferred back to that of Resident.

During your 18 months as non-resident member the Resident dues were \$15.00 plus 20% excise tax per month. The procedure to render you eligible for dues exempt membership from April 1, 1968 would be for you to pay the difference in dues for those 18 months plus Feb. & March dues for 1968. As the excise tax has since been discontinued your back dues for those 18 months will be at the rate of \$15.00 per month less 37.50 credited to your account for non resident dues. We are enclosing a Statement to show the total amount you would pay to close your dues account.
