Dear Ivar:-

I meant to write you earlier to give you definite information as to what we can do with next New Year's Eve date of my hall. I had altogether other plans in the handling of my own business and about decided not to rent the hall to anybody.

Have very few dates from now on. Have had some mighty attractive offer for next New Years. Do you feel you care to pay \$200 for that next date if I rent it?

You can think this over carefully and take it up with whomever you feel like about your other members and let me know if you want it at that rate. Let me know within a few weeks and it will be all right. I will not rent it to any one else any way.

Had a good time at that banquet, and want to thank you again for your consideration.

Wishing you and yours the best of everything I beg to remain,

Yours very cordially,

R. G. Huntinghouse

UNITED STATES FOOTBALL ASSOCIATION
JUNIOR SOCCER BULLETIN NO. 3.
SEASON 1939-40.

Feb. 24th., 1940.

JUNIOR SOCCER NOTES:-

We had hoped that this issue would be one that would give us all the good news about the trip to Cuba for our Junior Select Team, but alas, after many a long day of watchful waiting for the final instructions for the trip, the day selected for the game Feb. 18th., has come and gone, and yet no word was received as to the cancellation of the game.

Our worthy Secretary, James Armstrong, had worked hard and diligently to get all arrangements for the trip completed, and he like all others interested in this trip was much disappointed at the final outcome.

On Feb. 14th., Secretary Armstrong sent out the following letter to all Commissioners whose district was represented, which fully covers and explains the situation better than we could attempt to do, which we now pass on to you.

ABSTRACT OF SECRETARY ARMSTRONG'S LETTER:-

Gentlemen:-

As you know, a Junior International Match, between Cuba and the United States, was arranged through the good offices of Mr. William A. Campbell of Havana, F.I.F.A. Councillor for the Central Americas, and was originally scheduled to be played at Havana, Cuba, on Sunday, December 31st., 1939.

However, under date of December 17th., the Cuban Football Federation cabled us to request a postponement of the Match until February 18th., to which we agreed. An explanatory letter, supplementing the cablegram and written under date of December 19th., stated that the game could not be staged on December 31st., because of difficulties that had arisen as a result of the death of the American Ambassador and the resignation of the Director General of National Sports. It was further felt that the February 18th., date would be more appropriate since the celebration of "American Week" would open on that date. As stated, we agreed to the postponement.

On January 23rd., Mr. Campbell, who was on a visit to this country and Canada, called at our office and, as we had had no further information from the Cuban Football Federation about the game, Mr. Campbell and the writer determined to make a call upon the Cuban Consul. Our visit was unproductive of results because the gentleman, who was most likely to be familiar with the matter, was not expected back from Havana until the following day. The writer again presented himself at the Cuban Consulate the next morning and was greeted with the information that the gentleman in question, a Mr. Rodriguez, was expected that afternoon. Sure enough, that afternoon Mr. Rodriguez phoned the writer but he had no definite information to offer other than an "unofficial" rumor he had heard to the effect that the game would not be played.

Abstract of Secretary Armstrong's Letter -- Continued:-

He emphasised the fact that his information was "unofficial" and that confirmation, naturally, must come from the Cuban Football Federation. We had written the Cuban Federation at length, on December 29th., but, as already stated, had heard nothing from that body since its letter of December 19th.

Feeling that time was getting short, we cabled the Cuban Association on Wednesday, January 31st., as follows:-

"MUST HAVE IMMEDIATE REPLY TO OUR LETTER OF DECEMBER TWENTY-NINTH. ALSO AN OUTLINE OF COMPLETE ARRANGEMENTS FOR JUNIOR GAME FEBRUARY EIGHTEENTH."

In order to insure an immediate response, we prepaid the cost of a reply cablegram. However, it appears that we were too optimistic because, here it is February 14th., and no reply has come to hand, neither to our letter of December 29th., nor our cablegram of January 31st.

In view of the foregoing, we are now regretfully compelled to conclude that the game has been cancelled, although we have no official advices to that effect. It is too late now, however, for us to complete arrangements for any game on the 18th., and we have no option other than to assume that the game has been postponed once again, or cancelled altogether.

Just as soon as any official communication is received from the Cuban Football Federation, we shall advise you further in the matter.

We regret exceedingly that the boys have been bitterly disappointed once again, but we wish to assure you that the fault does not rest with this office, the Foreign Relations Committee, or the National Junior Soccer Committee. We know it is a most distasteful task, but will you please advise the boys selected from your district just how the matter stands and how deeply sorry we are at the turn of events.

NATIONAL JUNIOR CUP COMPETITION:-

Our Junior Cup Competition is now in progress and it will be well to remind our Clubs about some of the rules governing the competition, so that we may avoid complications later on, for this reason we quote the following rules:-

- 7B. Players who have not attained their 18th birthday at the time of registering are eligible to compete. Birth records, health department records or school records are acceptable.
8. No player shall be eligible to compete in this competition unless registered on a junior form supplied by the United States Football Association.
- 8A. A player, to be eligible to compete in the semi-finals and final games within his own State Association, must be registered in time for the round proceeding the semi-final match.

Gentlemen:

The Second Game of the Western Final Home-and-Home Series will be played on the home grounds of the VIKING A.A.F.C. at Chicago, Illinois, on SUNDAY, MAY 19TH., kick-off at 3:00 P.M. Sharp. The total number of goals scored in both games will determine the winner. Should the teams be equal in the aggregate number of goals scored at the end of the second game, THEN EXTRA PERIODS MUST BE PLAYED UNTIL A DECISION IS REACHED.

The HOME team must furnish the admission tickets for the above referenced game and the visiting team must have a checker at the gate for its own protection. The home team will also supply the away team and the USSFA delegate with a list of the ticket numbers to be used—this for checking purposes and the protection of all concerned.

The U.S.S.F.A. delegate will be Mr. Fred W. Netto, National Cup Commissioner, of 7236 So. Francisco Ave., Chicago, Illinois; he will appoint the referee and linesmen and will be in full control of all arrangements.

In regard to expenses: It must be carefully borne in mind by both clubs that all expenses accepted as a proper charge against the gate receipts of the FIRST game, will, in turn, become a proper charge against the gate receipts of the SECOND game. This also applies to the traveling expenses of the visiting club which must be guaranteed of course by the home club. All matters of expense that may eventually become the subject of dispute should, in this second game, be referred to USSFA Delegate Netto for his consideration and action.

For the official information of all concerned the score in the first game played yesterday was -- HEIDELBERG, 3 GOALS; VIKINGS, 1 GOAL.

Yours very truly,

Joseph J. Barriskill

Dear Mr. Dahlquist:

This is to acknowledge your letter dated March 10th, in which you set forth your club's plans for this coming season and request to be directly affiliated with the Illinois Soccer Commission.

You may be assured that the members of the Commission are cognizant of your club's problems, having noticed the splendid efforts and large contributions both financially and otherwise, that the Viking A. A., has made to the game. Chairman Peel feels that it would be prudent if your club would contact several other leading clubs who have contacted him and proposed the organization of several of the leading clubs into a new unit. Thus you would not stand alone in this worthy undertaking. We should be glad to assist you in the calling of a meeting for discussing steps in that direction.

However, in the meantime it is suggested that if you have arranged for the playing of inter-city matches, you submit the names of your opponents and the dates when you wish to meet these teams, for approval.

Kindly consider the contents of this letter of a confidential nature.

We have refrained from answering your letter of the 21st. until we knew how we stood in the Nat' Cup.

It will be agreeable to us for your Club to sign on George Nemchik on a professional form, if same is agreeable to the player. We also would require a letter from you stating that this player would be released back to us whenever we require his services, which however, would not be before the start of next season, sometime in September of this year.

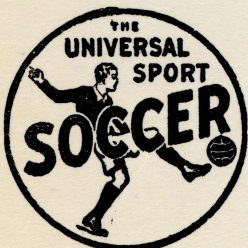

Nemchik's release of course could not be granted until after our game in Cleveland on June 17th. which is the second game of the Grand Finals.

Dear Mr. Plambeck:-

In the game between Viking Reserves and Schwaben Reserves Oct. 22nd, refereed by Mr. L.G. Appelhans, the Vikings were awarded a penaltykick. I made the try and shot the ball at the goalkeeper, who bounced it out towards me. I then ran up and shot the return into the net for a goal. Mr. Appelhans however, disallowed this goal and gave the Schwabens a freekick. Apparently he is not familiar enough with the rules to know, that I can kick the ball again, as long as the goalkeeper touched it. He could not have given the free kick for anything else, in as much as he placed the ball exactly on the same spot as I was standing, when I kicked it the second time. This goal would have given us a 2-1 win over the Schwabens and that extra point might mean a lot in the final standing in the Reserve Division. Isn't there something that can be done about things like that? They have schools for football referees, baseball umpires etc., why not a school for soccer referees. You have to do something to give us competent referees, or I'm afraid there won't be any games to referee.
