THE SVITHIOD SINGING CLUB CHORUS

presents its

93rd Annual Spring Concert

"Through The Years"

*Through the years, we've sung our songs here for you,
Singing through the years
Through the years, we've sung to entertain you
With music for your ears
Through the years, you know we've always cared,
Remember that our songs we've always shared.
Through this night, we want to bring you pleasure
With the songs that we all love and treasure
With our hearts, we'll sing these songs
We want you all to hear
We're here for you
